

Pantomime Scenes (middle and high school)
Activity locations

Below are ideas for locations. You can write additional ideas by hand for larger groups. It is fine for multiple groups to have the same locations. Cut these location papers out, fold them up and put them in a hat or paper bag. Have pairs and small groups choose a paper at random and plan their scenes.

airport	playground	circus tent
high society dinner party	skating rink	the neighborhood mall
school cafeteria	library	school hallway
food court	the side of a highway	grocery store
in a car	music store	driver's license office DMV
political rally	a forest	concert
a city park	a play in a theater	courtroom
amusement park	bakery	movie fan conference
